"We must adjust to cha2nging times and still hold to unchanging principles" - Jimmy Carter

Upgrading, adopting & delivering according to the time in the best possible way has always been the principle **#cisconetworking** is known for. In this pandemic times too, the way we at Cisco adapted the new normal by organizing the first ever virtual online celebration with more than 400 employees joining online, is history written!

With **MC David Clear** as the dynamic host, the event was full of energy, brain teasing games, musical antrakshari and lot more. The cynosure of the event

The background consists of a dense, abstract arrangement of 3D geometric shapes, primarily triangles and polygons, in various shades of blue, teal, and purple. The shapes are layered and overlapping, creating a sense of depth and movement. The colors transition from deep blues and purples on the left and right sides to lighter, more vibrant blues and teals in the center, where the text is located. The overall effect is a dynamic, crystalline pattern.
